

Discount Dental Plan offered by

Dr. Nelson Sanders, D.D. S. and Dr. Lindsey Sanders, D.D.S.

Dental treatment can get expensive, especially with no insurance! We have created a discount plan to help patients make treatment more affordable. This is not an insurance plan. This is a discount plan where you pay the yearly membership fee of \$259 per adult, \$185 per child. This fee includes two standard cleanings, two exams, and one set of either bitewing x-rays or a full mouth x-ray (whichever is needed to properly evaluate your needs) per year. Full mouth x-rays will be covered once every 5 years. After that, if any treatment is diagnosed you will receive a discounted fee for services. Below is an example of our office fees for common procedures and what your fee would be with this plan. There are no maximums, no deductibles, no insurance companies to deal with and no denials for treatment. Please note, this plan is only good in our office, if we have to refer you to a specialist for any treatment they will not honor our plan. The \$259 membership fee must be paid in full when you sign up for the plan, if further treatment is recommended we will go over all fees and costs prior to service. If you have any questions please feel free to contact Teresa or Luanne at 303-428-6571.
